# The Super Magic Careful Song

The Super Magic Attention Song

Be careful what you do

You must first think it through!

How do we do it?

We...

Stop! Look!

Listen! Think!

Stop, don't make a sound

Look all around

Listen, stay on guard

Think very hard!

Stop! Look!

Listen! Think!

Now that you've thought it through

Decide what you want to do!

Remember what you know

So that you know which way to go.

But before you speak you should

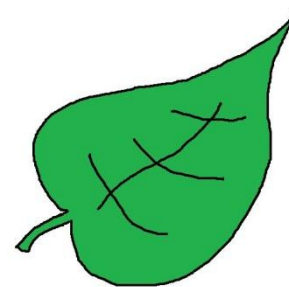

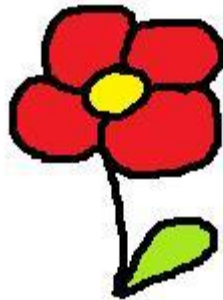

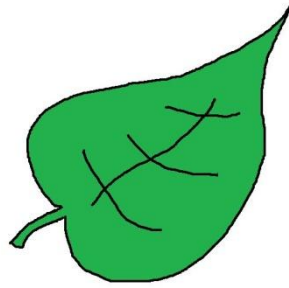

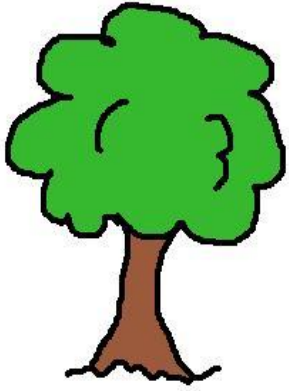

Make sure you've understood.

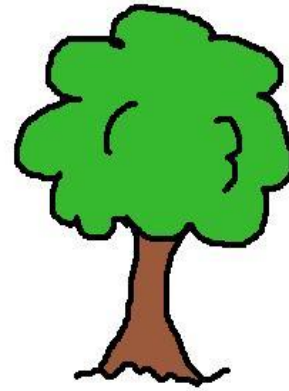

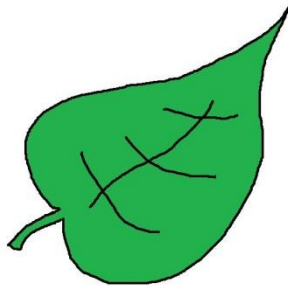

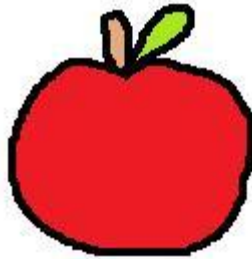

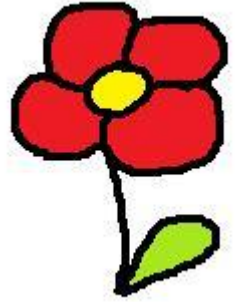

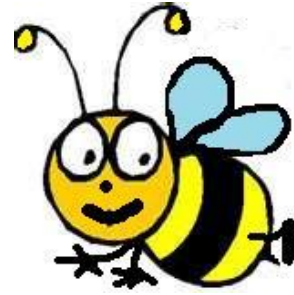

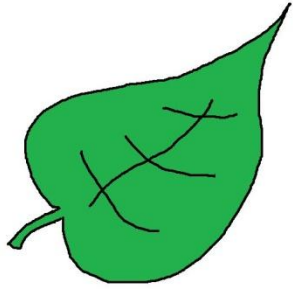

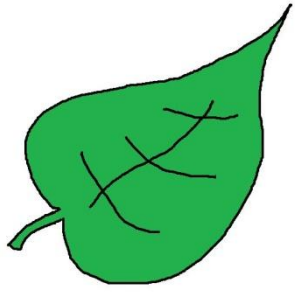

Then, don't be shy Smile Stick your hand up high!
